Donors will be acknowledged with a Thank You advertisement in Safari Times as well as with a lapel pin representing their giving level. (Note: Gifts to the Hunter Legacy Fund do not qualify).

All donors will receive a signed SCI Foundation charitable gift receipt for tax-deductible purposes.

- Pledges to SCI Foundation will be recognized at the pledged level, and recognition benefits for the pledged level will be awarded---as long as pledge payments remain current. If pledge payments lapse for any reason, recognition will stay at the amounts paid to date. Pledges can be made up to a 5-year period.
- Cumulative giving is tracked by the SCI Foundation development department. **The starting date is August 2010** and once a new Lion & Shield Animal Giving Level has been reached, a letter will be sent sharing the new recognition level.
- Only operational and restricted gifts to the Foundation will count towards recognition levels. SCIPAC donations, raffles, sweepstakes, and auction purchases do not apply.
- One exception, **In-Kind Donations** to the SCI Foundation Conservation Leadership Award Live Auction may also count towards recognition levels. Only items with a Fair Market Value of **\$15,000 or greater** will be eligible for inclusion in recognition totals. The *final sale price* of the item will be the recognized amount to count towards the recognition levels.
