Proudly donated by:

PROPHET MUSKWA OUTFITTERS

10 Day, Northern British Columbia, Stone Sheep Hunt for One Hunter and Rocky Mountain Goat or Elk Hunt for One Pathfinder and One Observer.

**Donor's Valuation:
\$80,000**

The highest bidder will hunt stone sheep, one of North America's most sought-after trophies, and the Pathfinder will hunt Rocky Mountain goat or elk. The purchaser has the option to choose a Pathfinder to take the hunt, or the Pathfinder Committee will choose a worthy candidate from a competitive selection process. Method of take is hunter's choice. These 10-day, 1x1 guided hunts take place in the majestic beauty of Northern British Columbia and include trophy fees for noted species between August 25th and October 1st, 2020 or 2021. The lucky high bidder and their guests will stay at the Muskwa River Lodge and Elisi Spa appointed with private, king, queen or twin rooms, cozy linens and private bathrooms. Meals will be prepared with amazing creativity and exquisite taste by a gourmet chef. Lodge amenities include: full-service spa and gym with infrared sauna and outdoor hot tub. An onsite activity director can assist in planning hikes, river exploration, horseback riding or target shooting. Additional species may be harvested including per donor's price list. Additional hunters and non-hunters can be added based on availability (additional fees apply). Not included in the hunt: any before/after hunt expenses, air charter arriving and departing from Fort Nelson (est. \$2,500/person round-trip), license and government fees (estimated at \$1,450 – stone sheep, \$925 Rocky Mountain goat or elk). Additional costs for meat processing, flight to transport meat, capes and horns, 5% GST and gratuities.

All funds raised from the sale of the Pathfinder Auction Hunt are dedicated to SCIF's Pathfinder Program - a (501c3) mission program under Humanitarian Services. The SCIF Pathfinder Program raises funds to help reengage disabled hunters, including wounded veterans, individuals and youth in their passion for hunting while adapting to life changes and challenges.
