SCIF EDUCATION SABLES HANDS ON WILDLIFE
GIFTING PROGRAM GUIDELINES, PURPOSE, ELIGIBILITY
CRITERIA & APPLICATION PROCEDURES

Purpose

The purpose of the Hands On Wildlife Gifting Program is to assist our area schools, non-profit organizations and government agencies in financing a Hands On Wildlife learning kit.

Eligibility Criteria

1. To be eligible for a Hands On Wildlife learning kit gift, the applicant must submit the proper information including how the kit will be used by filling out the H.O.W. Gifting Application Form.
2. An applicant may not receive more than one grant per 12 months.
3. All requests for Sables H.O.W. gifts should come into the SCIF Sables on a Gifting Program Application Form.
4. After receiving a Hands On Wildlife kit gift, a formal written report and photos regarding the project must be turned in within 60 days for publication in the Safari Magazine, Safari Times newspaper, or the Sables Newsletter.

Application Procedure

1. Mail, fax or e-mail your Application for a Sables Hands On Wildlife kit Gift to the following:

SCIF Sables Department
4800 West Gates Pass Road
Tucson, Arizona 85745
Fax: 520-618-3538
E-mail: sables@safariclub.org

2. Include in your request all available information and detail that is requested on the application. Other related information may be attached to your application.
3. The Hands On Wildlife kit committee will review the Gifting Applications as they arrive, review and vote on applications. Applicants will then be notified of their application status.
4. The SCIF Sables will forward the Hands On Wildlife kit to the designated address listed on the application upon application approval.
5. After receiving a H.O.W. kit gift, the organization must provide the SCIF Sables a formal written report regarding the project. The report must contain, at least, the following information and be suitable for publication in the Safari Magazine, Safari Times Newspaper or the Sables Newsletter.
 - How the H.O.W. kit was used
 - How you are furthering the conservation and educational goals of the SCIF Education Sables
 - At least 3 photographs illustrating the project. Try to get an action shot that relates to the Hands On Wildlife kit being used.
 - At the end of your report, please supply us with the name, address and phone number of the person, company or organization that received the Hands On Wildlife kit.

Thank you for inquiring about the Hands On Wildlife program. We look forward to working with you in the future.

Sincerely,

Education Sables Committee
