Independent Auditor's Report

jlkrosenberger.com

To the Management and Board of Directors of Safari Club International Foundation

Opinion

We have audited the accompanying financial statements of Safari Club International Foundation (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Safari Club International Foundation as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Safari Club International Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Safari Club International Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Safari Club International Foundation's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safari Club International Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Irvine, California May 19, 2025

Notes to the Financial Statements

Note 1 - Summary of Significant Accounting Policies:

a. Organization and Nature of Operations

Safari Club International Foundation (SCIF or the Organization), a nonprofit organization incorporated in the state of Nevada in 1972, is dedicated to educating the public concerning sport hunting and wildlife conservation, supporting scientific wildlife management practices for enhancement of game species and populations, and funding humanitarian programs.

A corporate restructuring was implemented on January 1, 2000, in which Safari Club changed its name to Safari Club International Foundation. SCIF maintains a portion of the existing operations, while the remaining operations were transitioned to the newly formed 501(c)(4) social welfare organization titled Safari Club International (SCI). SCIF and SCI have some common members of management and some common members on the boards of directors.

The intent of the corporate restructuring was for SCI to become more involved in advocacy for hunters' rights through increased legislative lobbying and limited political activities, which are limited and/or prohibited for 501(c)(3) charitable organizations. Therefore, the 501(c)(4) social welfare organization was formed to perform that role and the corresponding operations were transitioned to SCI. The restructuring was also beneficial to SCIF by retaining those operations that are typical of charitable organizations (education, humanitarian services, wildlife conservation, etc.) to improve its ability to raise charitable donations.

b. Basis of Presentation

SCIF's financial statements have been prepared in accordance with the American Institute of Certified Public Accountants (AICPA) Not-For-Profit Industry Guidance within the Financial Accounting Standards Board (FASB) Codification (the Guidance). Under the Guidance, SCIF is required to provide financial statements which are prepared to focus on the organization as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions.

Revenues, gains, expenses, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of SCIF and changes therein are classified and reported as follows:

Without Donor Restrictions – Net assets that are not subject to donor-imposed stipulations may be expendable for any purpose in performing the primary objectives of SCIF.

Notes to the Financial Statements

Note 1 - Summary of Significant Accounting Policies (Continued)

b. Basis of Presentation (Continued)

With Donor Restrictions – Net assets subject to donor-imposed stipulations that may or will be met either by actions of SCIF and/or the passage of time. As the restrictions are satisfied, net assets with donor restriction are reclassified to net assets without restrictions and reported in the accompanying financial statements as net assets released from restriction. Donor-restricted contributions received and expended in the same reporting period are recorded as support without donor restriction. Contributions of cash or other assets without donor stipulations concerning the use of such assets are reported as revenues without donor restrictions. Contributions of cash or other assets with donor stipulations are reported as revenues with donor restrictions. The restrictions are considered to be released at the time such assets are placed in service. Net assets with donor restrictions also include endowment earnings not yet appropriated for expenditure.

c. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make a number of estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, expenses, and disclosures concerning contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

d. Cash and Cash Equivalents

Cash and cash equivalents include short-term certificates of deposit, money market investment accounts, and other marketable securities purchased with original maturities of three months or less. SCIF, in the normal course of business, maintains checking and savings account balances. Balances on deposits are insured by the Federal Deposit Insurance Corporation (FDIC) up to specified limits. Balances in excess of FDIC limits are uninsured. As of June 30, 2024 and 2023, the Organization's cash balances at financial institutions exceeded federal insured limits by approximately \$11.3 million and \$5.1 million, respectively.

e. Accounts Receivable, Net

Net accounts receivable consists primarily of amounts due under a collaborative arrangement, amounts due in relation to tuition for the AWLS camp and the portion of fundraising revenue earned by the chapters affiliated with SCIF. Accounts receivable are stated at the amount management expects to collect. Management provides for probable, uncollectible amounts through a charge to operations and a credit to a valuation allowance based on the assessment of the current status of individual balances. Balances that are still outstanding, after management has used reasonable collection efforts are written off through a charge to the valuation allowance and credit to accounts receivable.

Notes to the Financial Statements

Note 1 - Summary of Significant Accounting Policies (Continued):

f. <u>Pledges Receivable</u>

Unconditional promises to give are recognized as assets and revenues in the period the promise is received. Unconditional promises to give that are to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the fair value of their estimated future cash flows as of the date of the promise to give through the use of a present value discount technique. In periods subsequent to initial recognition, unconditional promises to give are reported at the amount management expects to collect and are discounted over the collection period using the same discount rate as determined at the time of initial recognition. The discount rate determined at the initial recognition of the unconditional promise to give is based upon management's assessment of many factors, including when the pledge is expected to be collected, the creditworthiness of the other parties, SCIF's past collection experience and its policies concerning the enforcement of promises to give, expectations about possible variations in the amount or timing, or both, of the cash flows and other factors concerning the pledge's collectability. Amortization of the discounts is included in support from contributions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Management provides for probable, uncollectible amounts through a charge to operations and a credit to a valuation allowance based on the assessment of the current status of individual balances.

g. Contributions

Contributions received are considered to be available for general use unless specifically restricted by the donor. Amounts received that are designated for future periods or are restricted by the donor for specific purposes are reported as support with donor restrictions. When a donor's stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statements of activities and changes in net assets as net assets released from restrictions. Restricted support, where restrictions are met in the same period as the contribution is made, is shown as support without donor restriction.

h. Inventories

Inventories consist mainly of merchandise held for sale. Merchandise inventory is stated at the lower of cost (using the first-in, first-out method) or net realizable value.

Notes to the Financial Statements

Note 1 - Summary of Significant Accounting Policies (Continued):

i. Program Revenue, Revenue Recognition and Insurance Proceeds

Convention and events revenue related to SCI's annual convention are deferred and recognized when the convention is held. The convention is conducted by SCI and all revenues accrue to SCI. However, certain proceeds from auction items, sweepstakes, and other activities may be dedicated for the benefit of SCIF, and if so, the revenues are paid directly to SCIF. SCIF's portion of the convention revenue is recognized when received. Revenue from product sales are recognized at the point of sale. SCIF recognizes revenue from ticket sales at the time of admission. Tuition payments received for the annual AWLS camp are deferred and recognized upon completion of each summer's camp.

j. <u>Investments</u>

SCIF accounts for its investments at fair value. The fair value is based on quoted market prices. Changes in value are shown as unrealized gains or losses on the statements of activities and changes in net assets.

Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect account balances and the amounts reported in the accompanying financial statements.

k. Property Held for Sale

Property held for sale consists of assets identified for disposal in connection with the closure of the museum operation. These assets are classified as held for sale when all the following criteria are met:

- Management has committed to a formal plan to sell the asset or disposal group.
- The asset of disposal group is available for immediate sale in its present condition.
- The sale is highly probable and expected to be completed within one year from the date of classification.

Assets classified as held for sale are presented separately within the statement of financial position, and the results of operations related to these assets are reported within discontinued operations in the statement of activities.

Notes to the Financial Statements

Note 1 - Summary of Significant Accounting Policies (Continued):

1. Property and Equipment

Property and equipment are initially recorded at cost when purchased or fair value as of the date contributed. Generally, property and equipment additions in excess of \$5,000 are capitalized. Depreciation is recorded using the straight-line method over the following estimated useful lives:

Building – Headquarters and Museum30 YearsBuilding – Granite Ranch30 YearsBuilding – Washington, D.C.30 YearsOffice Furniture and Equipment2 to 25 Years

Exhibits include the collections held within SCIF's International Wildlife Museum and are recorded at cost if purchased and at fair value at date of accession if donated. Gains and losses from deaccessions are reported as changes in net assets based on the absence or existence and nature of donor-imposed restrictions. Collection items are protected, kept unencumbered, cared for, and preserved. The building in Washington D.C. was sold to SCI on March 23, 2023 as further disclosed in Note 8. The Granite Ranch was sold to a third party on May 13, 2024 for \$7,700,000.

m. Impairment of Long-Lived Assets

SCIF reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell. No impairment charges were recorded for 2024 and 2023.

n. In-kind Donated Materials and Services

Donated materials are reflected as contributions in the statements of activities and changes in net assets at their estimated fair values at the date of receipt. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or require specialized skills, are performed by people with those skills, and would otherwise be purchased. No amounts have been reflected in the financial statements for certain donated volunteer services because they did not qualify for recording under generally accepted accounting principles; however, a substantial number of volunteers have donated significant amounts of their time and perform a variety of tasks that assist SCIF in certain administrative and committee assignments.

Notes to the Financial Statements

Note 1 - Summary of Significant Accounting Policies (Continued):

o. Functional Assignment of Revenues and Expenses

All revenues and expenses are allocated based upon the functions to which they relate in the accompanying statements of functional revenues and expenses. These functions are consistent with SCIF's overall goals as an organization. Revenues and expenses were allocated among the following functional categories on the basis of specific-identification, estimates of time spent, and benefits derived:

- Education
- Conservation
- Fundraising
- Humanitarian Services
- SCF Museum
- General and Administrative

p. Common Costs

Direct costs are allocated to SCIF based on the direct functionality or direct benefit to the entity. If indirect costs are common to or benefit both entities, certain allocation methodologies are used based on the nature of the expense or activity to ensure that the entity is absorbing a reasonable pro-rata share.

q. Advertising Costs

Advertising costs are expensed as incurred. SCIF utilizes many forms of advertising and promotion in order to communicate and accomplish its mission of promoting wildlife conservation, outdoor education, and humanitarian services. Advertising costs totaled \$140,010 and \$225,265 for the years ended June 30, 2024 and 2023, respectively.

r. Cash Surrender Value of Life Insurance

SCIF is the named beneficiary of certain life insurance policies. The policies are recorded at their cash surrender value. Policy earnings are included in the accompanying statements of activities and changes in net assets as investment income.

Notes to the Financial Statements

Note 1 - Summary of Significant Accounting Policies (Continued):

s. Income Taxes

SCIF is a nonprofit organization under Internal Revenue Code (IRC) Section 501(c)(3). Accordingly, no provision for federal or state income taxes has been reflected in the accompanying financial statements. In addition, SCIF qualified for the charitable contribution deduction and has been classified as an organization that is not a private foundation. Income determined to be unrelated business taxable income (UBTI) would be taxable. SCIF evaluates its uncertain tax positions, if any, on a continual basis through review of its policies and procedures, review of its regular tax filings, and discussions with outside experts. As of June 30, 2024 and 2023, management does not believe any uncertain tax positions exist.

t. <u>Lease Arrangements</u>

The Organization determines whether an arrangement is or contains a lease at contract inception. For leases with a lease term greater than one year, the Organization recognizes a lease asset for its right to use the underlying leased asset and a lease liability for the corresponding lease obligation. Operating leases meeting the requirements, are included in operating lease right-of-use (ROU) assets, and the corresponding operating lease liability in the Organization's balance sheet. Operating lease right-of-use assets and operating lease liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. In determining the present value of lease payments, the Organization uses its estimated incremental borrowing rate (IBR). The Organization considers the lease term to be the noncancelable period that it has the right to use the underlying asset, including all periods covered by an option to (1) extend the lease if the Organization is reasonably certain to exercise the option, (2) terminate the lease if the Organization is reasonably certain not to exercise that option, and (3) extend, or not to terminate, the lease in which exercise of the option is controlled by the lessor.

The operating lease right-of-use assets also include any lease payments made and is net of lease incentives received or receivable. Lease expense is recognized on a straight-line basis over the expected lease term. Variable lease expenses are recorded when incurred.

The Organization's management has determined there were no lease arrangements that met the criteria for recognition on the Organization's statement of financial position as of June 30, 2024 and 2023.

u. Subsequent Events

SCIF evaluated subsequent events through May 19, 2025, which is the date the financial statements were available to be issued. See Note 18 for subsequent event disclosures.

Notes to the Financial Statements

Note 2 - Liquidity and Availability:

Financial assets available for general expenditure, that is, without donor restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

		2024	2023
Cash and Cash Equivalents	\$	11,817,617	4,518,115
Accounts Receivable		284,775	91,863
Pledges Receivable, Current Portion		404,040	293,303
Note Receivable, current portion		177,505	39,454
Operating Investments		8,545,412	6,812,333
Endowment Spending Rate Distributions Available	_	1,162,723	918,073
Totals	\$_	22,392,072	\$ 12,673,141

SCIF endowment funds are donor-restricted. Income for donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure.

As part of SCIF's liquidity management plan, SCIF invests cash in excess of daily requirements in investments. Additionally, SCIF has a \$15,800,000 securities-based line of credit.

Note 3 - Revenue from Contracts with Customers:

The following table provides information about significant changes in the contract liabilities for the years ended June 30:

2024	2023
\$ 449,028 \$	405,347
(124,714)	(49,135)
 77,500	92,816
\$ 401,814 \$	449,028
\$ - \$ <u>-</u>	\$ 449,028 \$ (124,714) 77,500

Notes to the Financial Statements

Note 4 - Pledges Receivable:

Pledges receivable consist of Hunter Legacy Fund, First for Wildlife, and American Wilderness Leadership School endowments, as well as Lion and Shield pledges from individuals at June 30 as follows:

	_	2024		2023
Donor Restricted	\$	463,196	\$	511,779
Without Donor Restrictions	_	1,223,704		1,223,060
Gross Pledges Receivable		1,686,900		1,734,839
Less: Unamortized Discount		(149,504)		(138,528)
Less: Allowance for Doubtful Accounts		(148,000)		(387,996)
Net Pledges Receivable	\$ _	1,389,396	\$ _	1,208,315
Amounts Due in:				
Less than One Year	\$	404,040	\$	568,049
One to Five Years		1,257,860		1,113,790
Over Five Years		25,000	_	53,000
Totals	\$	1,686,900	\$ _	1,734,839

The discount rate used to determine the present value of the pledges receivable balance is the fair market rate appropriate for the expected repayment term. For the years ended June 30, 2024 and 2023, this rate was approximately 4.52% and 4.49%, respectively.

At June 30, 2024 and 2023, gross pledges receivable include \$233,194 and \$88,746, respectively, due from members of the board of directors and directors at large of SCI and SCIF.

Note 5 - Investment and Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level I – Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets;

Level 2 – Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and

Level 3 – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models, and similar techniques not based on market, exchange, dealer, or broker-traded transactions.

Notes to the Financial Statements

Note 5 - Investment and Fair Value Measurements (Continued):

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at June 30, 2024 and 2023.

Common Stocks and Exchange Traded Funds: Valued at the daily closing price as reported by the active market on which it is traded.

Market-Linked Notes: Priced using evaluations which are typically model-based and do not necessarily reflect actual trades. The notes are valued under a discounted cash flow approach that maximizes observable inputs, such as current yields of similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks.

The following table presents assets measured at fair value by classification within the fair value hierarchy as of June 30, 2024.

	Level 1	Level 2	Level 3	Total
Exchange Traded Funds:				
Structured Investments	\$ 1,982,020 \$	- \$	- \$	1,982,020
Large-Cap	12,362,020	-	-	12,362,020

Total Investments at Fair						
Value	\$_	25,251,190	\$	\$ _		25,251,190

Investment income consists of the following for the years ended June 30:

	2024			2023
Interest and Dividends	\$	1,045,506	\$	697,265
Net Realized Gains (Losses) on Investments		1,830,777		(190,454)
Net Unrealized Gains (Losses) on Investments		391,117		1,501,230
Fees on Investments		(43,864)		(35,097)
Total Investment Income	\$	3,223,536	\$	1,972,944

Notes to the Financial Statements

Note 6 - Property and Equipment:

A summary of property and equipment at June 30 follows:

		2024	2023
Land and Improvements	\$	122,681	\$ 377,271
Building - Headquarters and Museum		5,040,121	5,040,121
Building - Granite Ranch		-	2,928,023
Office Furniture and Equipment		610,867	1,601,593
Total Property and Equipment		5,773,669	9,947,008
Less: Accumulated Depreciation		(5,443,949)	(8,038,518)
Property and Equipment, Net	\$ _	329,720	\$ 1,908,490

Depreciation expense charged to operations was \$137,757 and \$231,100 for 2024 and 2023, respectively.

The Organization sold Granite Ranch on May 13, 2024 for \$7,700,000 and recognized a gain of \$5,830,096.

Note 7 - Endowments:

SCIF endowments consist entirely of three donor-restricted endowment funds established to support SCIF's programs. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

In September 2008, the state of Arizona enacted ARS §10-11801 Management of Charitable Funds Act (MCFA). SCIF has interpreted MCFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, SCIF retains in perpetuity (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure by SCIF in a manner consistent with the standard of prudence prescribed by MCFA.

Notes to the Financial Statements

Note 7 - Endowments (Continued):

In accordance with MCFA, SCIF considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1. The duration and preservation of the fund
- 2. The purposes of SCIF and the donor-restricted endowment fund
- 3. General economic conditions
- 4. The possible effect of inflation and deflation
- 5. The expected total return from income and the appreciation of investments
- 6. Other resources of SCIF
- 7. The investment policies of SCIF

Return Objectives and Risk Parameters

SCIF has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to the programs supported by the endowments. The endowment assets are invested in a balanced asset allocation approach that is intended to produce results similar to a 35% Standard & Poor's 500 Stock Index, 45% Barclays Aggregate Bond Index, 15% MSCI EAFE Index, and 5% 90-day Treasury Bills while assuming a conservative to moderate level of investment risk.

Spending Policy

SCIF has a policy to hold all contributed funds plus 5% of these funds as the funds protected value. At fiscal year-end, 5% of the portfolio balance is calculated and is available for appropriation as long as the net figure exceeds the protected value. A distribution from the fund exceeding 5% of the overall market value of the fund must be in writing and fully detailed. In establishing this policy, SCIF considered the long-term expected returns on its endowment investments. Accordingly, over the long-term, SCIF expects the current spending policy will allow its endowment to retain the original fair value of the gift.

Strategies Employed for Achieving Objectives

SCIF relies on a total return strategy in which investment returns are achieved through capital appreciation and current yield (interest and dividends). SCIF targets a diversified asset allocation that emphasizes a balanced asset allocation approach to achieve its long- term objectives within prudent risk constraints.

Notes to the Financial Statements

Note 7 - Endowments (Continued):

The change in endowment net assets for the year ended June 30, 2024 is as follows:

			-	With Donors Restrictions				
	-	Without Restrictions	-	Time/Purpose Restricted		Restricted in Perpetuity		Total
Endowment Net Assets, July 1, 2023 Contributions and Pledge Payments	\$	-	\$	1,478,347	\$	16,960,511 \$ 1,253,620	1	18,438,858 1,253,620

Notes to the Financial Statements

Note 8 - Related Party Transactions:

Many members of the board of directors volunteer their time and perform a variety of tasks that assist both SCI and SCIF in certain administrative and committee assignments.

A memorandum of understanding for facilities and shared services was entered into effective May 14, 2020 and all prior agreements are no longer effective. This agreement has an initial term of two years and shall auto-renew for additional terms of equal length thereafter, unless terminated by either party providing 90 days' written notice.

The MOU states that SCI will provide reasonable fees for shared staff and facilities. While the MOU states a separate Services Agreement will be negotiated between the parties, there is no agreement at this time. For the years ended June 30, 2024 and 2023, SCIF charged SCI \$271,525 and \$490,702, respectively, for the use of facilities. The rates charged were determined by reviewing average rent rates in the given areas and were reasonably determined by the Landlord and Tenant. SCIF pays, on a monthly basis, an allocated share of property taxes, utilities, janitorial services, and property insurance. The expenses recognized by SCIF related to these facilities expenses totaled \$138,102 and \$194,589 for the years ended June 30, 2024 and 2023, respectively. Additionally, SCIF received SCI reimbursement of allocated expenses of \$311,292 and \$294,813 for the years ended June 30, 2024 and 2023, respectively.

The agreement calls for SCIF to lease space to SCI for its operation in Tucson, Arizona, and in Washington, District of Columbia (DC) with a new lease agreement for the DC facility to be negotiated. This lease was negotiated effective September 1, 2022, however was terminated as of March 23, 2023 due to the sale of the building to SCI. SCI purchased the building for \$5,155,000 and SCF received an initial payment of \$907,528 towards the building and fees and established a promissory note receivable with SCI in the amount of \$4,124,000. This note has a term of twenty-five years with an interest rate of 9.5% and payments are \$36,031 a month based on a 360-day calculation.

In April 2024, SCIF received donated stock valued at \$1,127,908, which was designated to pay off a note entered to lend funds to SCI. SCIF contributed the stock to SCI to pay down the note payable on its book. The donated stock was valued based on its fair value at the date of the donation. The contribution of the stock to SCI was recorded as a reduction in note receivable and an increase in contribution expense.

The note receivable amounted to \$2,898,384 and \$4,098,295 as of June 30, 2024 and 2023, respectively.

As of June 30, 2024 and 2023, amounts payable to SCI totaled \$650,090 and \$924,454 respectively. Amounts are included in accounts payable in the accompanying statements of financial position.

Notes to the Financial Statements

Note 9 - Securities Base Line of Credit:

In October 2021, SCIF obtained a securities-based line of credit in the maximum amount of \$15,800,000, subject to certain withdrawal restrictions as defined in the agreement. Outstanding draws are secured by a portion of SCIF's investment portfolio and are charged interest at the one-month LIBOR plus 2.25%. There were no amounts outstanding under this line of credit on June 30, 2024 and June 30, 2023.

Note 10 - Rental Income:

On December 18, 2013, SCIF entered into a grant of easement and assignment of lease rights agreement with a third party. Under the terms of the agreement, SCIF granted an easement on the roof of its facility to a third party for a period of 50 years for the purpose of the third party to operate communications equipment. In addition to the easement, SCIF assigned the cell phone tower leases to the third party. SCIF will receive a contingent percentage interest in the future cell tower lease revenues secured by the third party over the term of the easement. Income recognized from these agreements totaled \$8,795 for each of the years ended June 30, 2024 and 2023. The Organization sold its building in Arizona in October 2024, the cell phone tower was sold in the transaction. All remaining unearned income was recognized subsequent to year end.

Note 11 - Lease Arrangements:

Short-Term Leases

SCIF rents office equipment and storage space with terms less than twelve months on an as needed basis. SCIF has elected to account for these equipment rentals and storage space as short-term lease arrangements. Short-term lease costs amounted to \$2,985 and \$21,039 for the year ended June 30, 2024 and 2023, respectively. The Organization has no lease arrangements that meet the criteria for recognition on the Organizations statement of financial position as of June 30, 2024 and 2023.

Note 12 - Retirement Plan:

SCIF has a 401(k) plan available to all eligible employees with more than 1,000 hours of service. SCIF matches 30% of each participant's deferral contributions up to 30% of compensation or up to the maximum contribution allowed by the IRC. These matching contributions vest over a five-year period. In 2024 and 2023, employer matching contributions totaled \$42,355 and \$49,891, net of forfeitures, respectively.

SCIF has a 403(b) defined contribution retirement plan, which is funded on a nondiscriminatory basis. The plan is managed by an investment broker under the guidance of employee elections. There were no employer contributions in 2024 and 2023.

Notes to the Financial Statements

Note 13 - Net Assets:

Net assets with donor restrictions are restricted for the following purposes or periods at June 30:

	_	2024	2023
Subject to Expenditure for Specified Purpose:			
Education	\$	481,492	\$ 503,453
National Fundraising		700,107	714,744
Museum		-	1,473
Humanitarian		704,387	367,446
Conservation		1,061,638	1,108,830
Accumulated Unappropriated Endowment Earnings	_	3,559,371	1,478,347
Total		6,506,995	4,174,293
Subject to Endowment Spending Policy and Appropriation			
Endowment	_	17,894,600	16,960,511
Total Net Assets with Donor Restrictions	\$ _	24,401,595	\$ 21,134,804

Net assets were released from donor restrictions by incurring expense satisfying the restricted purpose or by occurrence of the passage of time or other events specified by the donors as follows for the years ended June 30 as follows:

	_	2024		2023
Satisfaction of Purpose Restrictions:				
Education	\$	40,470	\$	72,599
National Fundraising		1,152,874		303,557
Humanitarian		48,065		115,386
Conservation		535,986		553,465
Endowment Expenditures		347,485		1,306,101
Unspent Endowment Expenditures	_	-	_	(691,500)
Total Net Assets Released from Donor Restrictions	\$	2,124,880	\$	1,659,608

Notes to the Financial Statements

Note 14- Discontinued Operation:

The Organization closed its museum operations in December 2023, disposed of museum exhibits and reduced those items to their net realizable value of \$264,741 and recognized a loss on the exhibits for \$1,104,300. The remaining items of \$264,741 were classified as property held for sale as of June 30, 2024, the transactions were completed subsequent to year end.

The results of discounted operations for the year ended are as follows:

		2024
Loss on discontinued operations:		
Revenue from discontinued operations	\$	209,225
Expenses related to discontinued operations		(313,889)
	_	(104,664)
Loss on sale of museum exhibit		(1,104,300)
Total loss on discontinued operation	\$	(1,208,964)

Note 15 - Reclassification:

As mentioned in Note 14, the Company discontinued its museum operation in December 2023. As a result, the financial statements for the prior period have been adjusted to reclassify museum exhibits from property and equipment to assets held for sale. This reclassification had no impact on the previously reported financial position, change in net assets or cash flows.

Note 16 - Employee Retention Credits:

Under the provisions of the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") and the subsequent extension of the CARES Act, the Organization believes they qualify for the credit. In January 2024, the Organization submitted amended payroll tax returns for the first and second quarters of 2021 seeking the credit in the amount of approximately \$389,000. If granted, the Organization would receive approximately \$311,000 net of fees due to an outside consultant. Some of the credits were applied for under the "partial government-ordered shutdown" criteria as defined in the CARES Act. Since these credits are subject to review and approval by the Internal Revenue Service and since it is unclear if all or a portion of the credit will ultimately be granted, the Organization has not recognized the credit into the statement of activities at this time. The credit will be recognized when conditions have been met to do so.

Notes to the Financial Statements

Note 17 - Contingencies:

Litigation

From time to time, SCIF is involved in various disputes and matters of litigation generally incidental to their business. SCIF engages in these lawsuits as plaintiff or friend of the court in an effort to influence legislation affecting hunting. Management does not believe any existing matters will ultimately have a significant impact on SCIF's financial position or results of operations.

Note 18 - Subsequent Events:

In July 2024, The Organization moved its headquarter from Tucson, Arizona to San Antonio, Texas and sold its headquarter building in October 2024 for \$1,010,625.

In January 2025, the Board approved a shared services agreement between SCI and SCIF to share expense of employees, insurance and technology.
